

March 2017

Dear Parents,

I am very pleased to invite you to attend an important presentation being held at school on Friday 24th March.

Simon Leigh is a leading addiction counsellor based in the UK. His expertise in the field of addictive behaviour coupled with his extensive experience makes him an extremely informative and valuable guest.

Simon Leigh's visit to our school is sufficiently important that we have arranged for presentations both to parents and to a selection of pupils. His presentation to parents, which will include an opportunity to ask questions, will be on the theme of addiction, and on drug addiction specifically. This event is scheduled to take place from 09.[00am](#) until 11.[00am](#) and is open for all parents of St. Lawrence College pupils, irrespective of the age of the pupil. The presentation will take place in the school's Cultural Hall and because we anticipate a lot of interest from parents we ask that you email either Ms Olympia in the junior school (juniorschool@slc.gr) or Ms Elizabeth in the senior school (seniorschool@slc.gr) to indicate your interest in attending this event. Later in the day a similar presentation will be made to selected year groups of senior school.

You can learn more about Simon Leigh by visiting the Addiction Therapy UK website at www.addictiontherapy.org.uk

Sincerely,

Phil Holden
Headmaster
