|  <p>Darkness had come to the town. Strange things were happening in the dead of night. Children would put a tooth under their pillow for the tooth fairy, but in the morning, they would wake up to find... a dead slug; a live spider; hundreds of earwigs creeping and crawling beneath their pillow. Evil was at work. But who or what was behind it...?</p> <p>David Walliams is at his wicked best in this cheeky tale of children's dreaded fears!</p> |  <p>A fascinating, funny and moving Victorian novel featuring Hetty Feather. Set in London in the 1870s, this sequel to <b>Hetty Feather</b> is a wonderfully evocative and original historical novel.</p> |
