

**Person Specification**

for the position of

**ICT Teacher to pupils in Key Stages 3 and 4**

**Full-time teaching position to start at earliest availability**

**Educational Qualifications**

The successful candidate will be sufficiently qualified that they can legally be employed by St. Lawrence College as a full-time teacher of ICT. It is highly likely that they will hold a bachelor's degree in this subject area, as well as a relevant teaching qualification.

**Teaching Experience**

The successful candidate will likely have experience of teaching ICT or a related subject to pupils. Experience of a British educational system would also be preferred but is not essential for this position.

**Personal Characteristics**

The successful candidate will be able to demonstrate a proven record of professional reliability, punctuality and excellent attendance record in previous employment. The successful applicant will possess very strong English communication skills – both written and oral. The successful candidate will be able to work closely with colleagues and will be able to show initiative and enthusiasm in their teaching. The successful candidate will possess an awareness of, and a positive attitude towards, British educational values and will also have an understanding of the importance of pastoral care, placing equal value on pupil wellbeing and development both in and out of the ICT classrooms.

**Child Protection**

The successful candidate will be able to demonstrate a suitability to take up such a teaching position in the context of child protection in line with the expectations of British schools throughout the UK and the wider world. This will include cooperation with the school in the procurement of background checks as appropriate.
