Parents will be informed under separate emails for Parent/Teacher meetings and events.

Please note that in the course of a year unexpected circumstances may arise and cause the Greek authorities to issue directives which all schools must be in compliance with. For that reason, all dates on this calendar are subject to potential change. Parents will always be informed of any adjustment to the calendar.

If either General or Local Elections are held during the academic year, this will necessitate the closure of the schools on the Friday before and the Monday after the day of the election.
