

# SUMMER SCHOOL

LEARN • EXPLORE • ACHIEVE

May 2026

Dear Parents and Guardians,

At St. Lawrence College, we are excited to introduce this year's Summer School programme—an inspiring, activity rich experience designed to spark curiosity, build skills and create unforgettable memories. Our summer community brings together young people from around the world, giving children the chance to learn, collaborate and grow in a vibrant, international environment.

Set in our spacious and well equipped campus, Summer School offers a safe, welcoming space where every child can feel confident, included and ready to explore new challenges.

Children under 7 will enjoy a dynamic, English based programme filled with hands on learning, creative play, language development and plenty of physical activity. Learners aged 7 and above can choose from three exciting pathways: English Language, Sports or Creative Arts & Drama.

This year, we are delighted to introduce a new feature within our Arts and Sports programmes for 7+: **Humanscape Projects**. Humanscape Projects give children the chance to step into real world challenges that spark creativity, problem solving and critical thinking. Through collaborative, hands on tasks, pupils analyse ideas, make decisions and refine solutions—whether they're designing a restaurant, creating a football club or pitching a concept with purpose. These projects help children think like creators and innovators, building confidence and transferable skills in an engaging, practical way.

Across all programmes, pupils benefit from exceptional teaching and a wide variety of enriching activities, including robotics, dance, yoga, sports and field games, creative arts, drama, music fun, cooking, roller skating, chess, crafts and many more opportunities to discover new interests.

We warmly invite your children to join us for a summer full of exploration, growth and adventure.

Registration is now open and we look forward to seeing your child/children on Monday 22nd June at 9:00 a.m. for the start of an enjoyable summer.

The full programme runs from Monday, 22nd June to Friday, 17th July, operating Monday to Friday, from 9:00 a.m. to 3:00 p.m. Pupils must arrive at school by 8:50 a.m. every morning. Pupils are welcome to attend the Summer Programme for any duration between 1 to 4 weeks.

Please contact the Registrar, Mrs. Emily Naoum, for further details.

Yours sincerely,

**Kiki Karakostas**  
**Managing Director**  
**St. Lawrence College**  
The British School in Greece

The School offers to all its Summer School pupils medical insurance  
(in case of an injury during school hours, trips, or activities).
