Dear Friends of Floga,

We would like to give our sincere thanks to all the families and friends of St Lawrence College, Athens, for your generous contribution of 1.062€ to our charity. We are a charity which receives no official funding from health authorities; we rely solely on the generosity of individuals and organisations which understand our plight, and the situation that hundreds of families find themselves in today with children suffering from cancer.

Our aim is to try in some practical ways to relieve the pain and suffering of families of these children. We offer support to families in hospital, with accommodation and at home, therefore every donation, no matter how small, helps us in this endeavour. Your contribution to our cause is sincerely appreciated.

Yours sincerely,

For the Council Board of FLOGA

Dear Parents, Pupils and Teachers of St. Lawrence College,

Following our communication, we would like to thank you for your valuable support to the Wish Star program during the school year 2022-2023.

With your donation, you also participate in fulfilling the wishes of children suffering from serious illnesses for their lives. The Wish Star program for 24 years has been one of the main programs to find resources of our organization so that the wishes of children who have been deprived of childhood carelessness can be realized.

The response of the people was very moving this year. We are a charitable organization where there are only two employees in the accounting department, and we operate with the help of our valuable volunteers.

We apologize for the delay. With your help we try every day to become better.

In the attachments you can find the proof of your donation and the wish adoption certificate of the program.

We wish you health and strength in your work! We would also like the attached files to be communicated to the student council if any as well as to the Parents and Guardians Association.

Dear St.Lawrence College students, parents and teachers,

On behalf of SPAZ, I would like to thank your school for the generous donation of 500€ (five hundred euros) which you collected during your Christmas bazaar.

We are extremely thankful for your support which will help with veterinary costs for the animals in our care.

SPAZ has been helping stray dogs and cats in the southern suburbs of Athens since 1987 and continues to do so thanks to the donation of our supporters. Our aim is to help vaccinate, neuter/spay and find the best homes for as many animals as we can and donations such as yours make this possible.

Sincerely,

Fofi Dimitriadou  
President of SPAZ
